

Instrumental Music Teacher (Band specialist)

Wixon Innovation School (Dennis, Massachusetts, Cape Cod)

Grades 4-5 Full Time Position – Salary; as per teacher’s contract

The Wixon Innovation School is part of the Dennis-Yarmouth Regional School District. The job description is defined as organizing, administering, scheduling and teaching the beginning 4th and 5th grade band program. Currently, these students receive homogenous ("pull out") small group lessons once a week. Instrumental offerings encompass the traditional band instrumentation. Ensembles include a 4th grade concert band, a 5th grade concert band, and 5th grade jazz band that rehearse during the school day. Each ensemble typically has three concerts a year. Currently there are approximately 100 4th grade band students and 80+ continuing 5th grade band students. Class lessons are taught in a large private band room and band rehearsals may be taught in the band room or on stage. Candidates need to be proficient on the various band instruments as well as know how to use a Smartboard and SmartMusic.

To apply for the position, please fill out an application from our district website
