

# DHS WINTER

# PERCUSSION & GUARD

## **NESBA Dover Winter Guard and Percussion Show 3/10/24**

### **Director's Packet:**

Welcome to the 2024 Dover Winter Guard and Percussion Show! Our School is located at 25 Alumni Drive Dover, NH 03820.

**Show Participation Fee:** please submit \$100 payment per team. Payment methods listed on invoice.

**Drop off:** All buses and vehicles transporting students should drop off students at the front of the school utilizing the bus loop. If the bus or vehicle has equipment that needs to be unloaded they will exit the bus loop, turning left on Alumni Dr. then left onto Daley Dr where they will follow until they reach the back of the school / docking station. Your students will be greeted and escorted to the docking area to help unload equipment. Once buses are unloaded of equipment, they will loop around the school, turn left onto Alumni Dr and left onto Daley Dr where they will park until it's time to leave.

For buses that do not fit along Daley Dr, buses will turn right onto Alumni, take a left onto Bellamy Rd, left onto Durham Rd and re-enter along Alumni Dr to park along Alumni Dr.

Trucks, U-Haul's, Trailers will enter Daley Dr and immediately go to the back of the school for unloading. If your bus with students HAS NOT arrived yet, please instruct your equipment vehicle to park in the Alt lot until your arrival so the students will be available to help unload equipment. Once equipment vehicles have been unloaded they will loop around the school, turn left onto Alumni, and will take a right into the Alt parking lot until it's time to leave.

**ALL STUDENTS** will be entering and exiting the building via the main entrance of the building, NOT the loading dock area.

**Equipment Drop off:** Instruments and equipment will be unloaded and left at the loading dock. Props will be unloaded and placed along the wall of the Aux gym entrance. Once props have been secured, students will return for their instruments and equipment and be escorted to their location for warm up where they can drop those items while then being shown locations of restrooms, and changing area.

Attached please find a map of our campus.

**Check in:** Rear loading dock doors open to our first teams at **10:15am**. If possible, we would appreciate it if teams could arrive during their drop off times. This will help us have enough space for everyone's equipment, props and team members. Each team will be assigned a meeting area on the 2nd Floor mezzanine as well as a student ambassador. Thank you in advance for your cooperation for check in times!

**Percussion Storage Area:** Will be assigned to you at arrival. The first two groups will unload straight to practice rooms.

**Percussion Practice Area:** Teams will be stationed in the band room or on the stage. Your student ambassador will direct you to the appropriate location.

**Guard Practice Area:** Body warm-ups will be held on the stage, band room, and aux gym. Your student ambassador will direct you to the appropriate location.

**Pick Up:** Please alert your bus and equipment drivers of your performance time so they can begin to make their way to the loading dock. Once performances are complete, instruments, equipment, and props will need to be broken down and immediately taken to the loading dock area to be placed back onto their respective vehicle.

If your school will be leaving immediately after performance, please direct your bus driver to enter the bus loop to pick students up at the front of the school.

If your school will be staying for the remainder of the show, buses and equipment vehicles may follow the same directions as drop off for parking. Please alert the DPMC volunteer inside the building at the loading dock area if you will be staying, and how many people so we can accommodate seating within the gym area for your school.

**ALL STUDENTS** will be entering and exiting the building via the main entrance of the building, NOT the loading dock area.

**Restrooms:** Are located next to the cafeteria on the upper and lower levels. Gender neutral bathrooms are located in the music wing.

**Changing rooms:** Locker rooms in the gym corridor are available for changing only. **ITEMS MAY NOT BE STORED IN LOCKER ROOM.**

**Concessions:** Breakfast, lunch, snack, drink items will be provided in the cafeteria. Cash, paypal, and venmo accepted. **Food and drink are allowed in the cafeteria ONLY.**

**Admissions:** \$10 adults, \$8 65+ and students, \$25 for a family (guardians and children) 5 and under FREE. Doors open at 11:30am.

**Raffles:** Tickets will be sold outside the gym entrance in the cafeteria. Raffle prizes include Lindt baskets (1) will be raffled off at the end of the percussion performances, and the other at the end of guard performances.

**Awards:** will be given out at the conclusion of percussion and guard events; 1st-3rd place medals will be awarded per NESBA judges scoring

***Need Help?** Find a parent volunteer with a Dover Music lanyard and they will assist you.*

# OVERFLOW PARKING

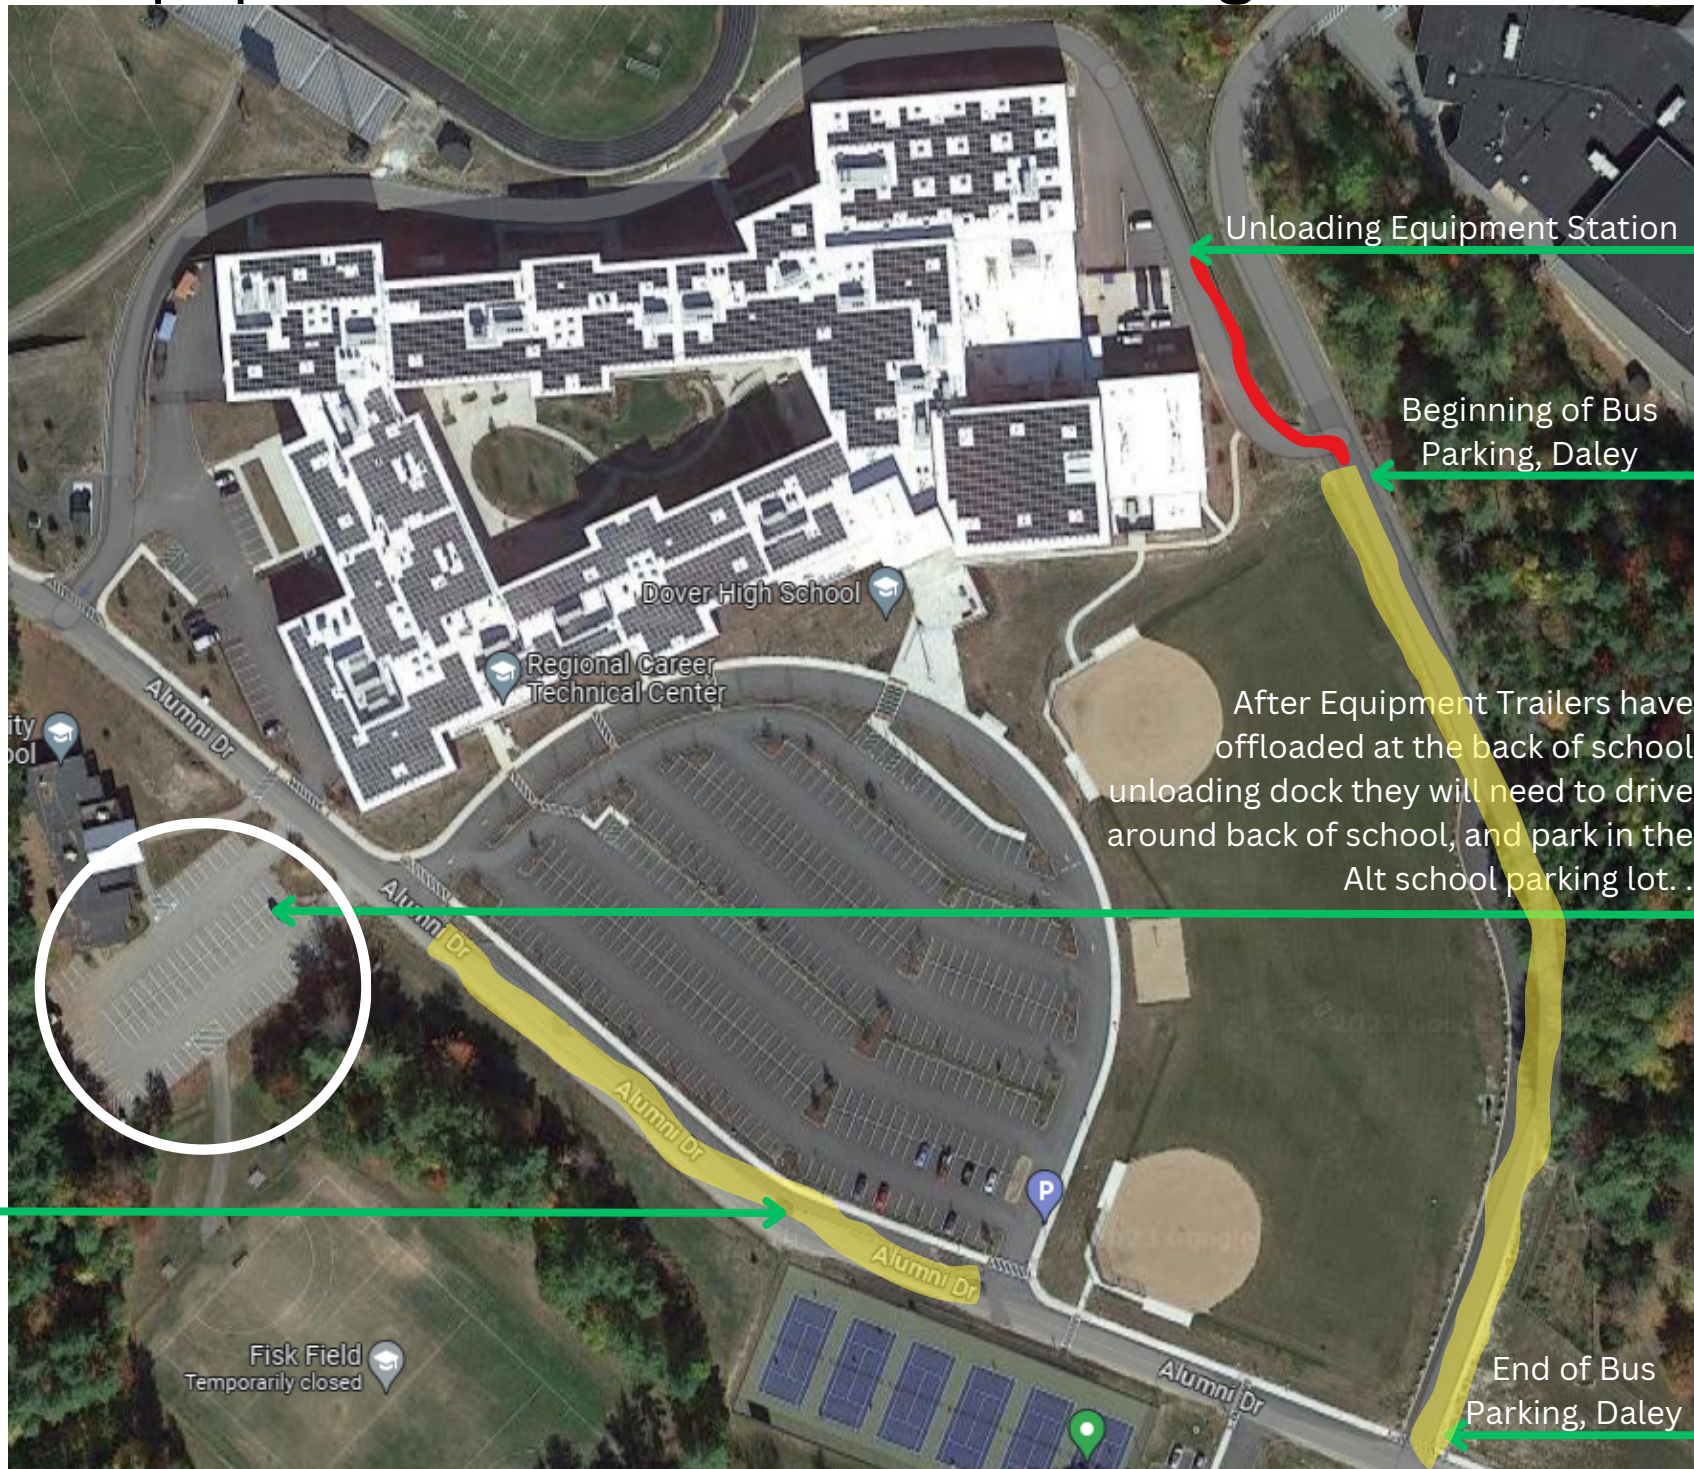

# Bus / Equipment Trailers Flow & Parking

Buses to enter Alumni Dr, and front entrance loop. Unload students at school. Pull out of loop, take left, if unloading eq. take left onto Daley drive, follow to back of school @ unloading dock where your students will meet you for unload. After unload drive around school, turn left onto Alumni Dr, and left onto Daley Dr to park.

Buses that cannot park along Daley Dr. will need to drop students off in front of school loop, take a right onto Alumni, follow to stop sign, take a left onto Bellamy Rd, follow to stop sign, take a left onto Durham Rd, and then take a left back onto Alumni Dr to park along Alumni.

Extra Bus Parking, Alumni

After Equipment Trailers have offloaded at the back of school unloading dock they will need to drive around back of school, and park in the Alt school parking lot.

**Band Directors:** Please have your buses approach DHS from Rt. 108 (Durham Rd) as indicated by the entry arrow and turn into the second entry point at the loop, so they can unload students, then exit the loop by taking a L and park along Daley Dr if they are not unloading equipment. If they are unloading equipment follow Daley Dr. to the back of the school, unload, drive around back of school, turn L onto Alumni and L again to park on Daley Dr. For Buses that do not fit along Daley Dr they will need to exit R from the loop, turn L onto Bellamy, turn L onto Durham Rd and re-enter via Alumni to park along Alumni. Parking volunteers will direct buses and equipment trucks when arriving. If needed, they will direct drivers to overflow parking areas.

**Students:** Students and volunteers who exit your bus at the front of the school will be taken to the unloading dock to help unload buses and trucks.

**Equipment Trucks:** Equipment trucks will enter Daley Dr. follow to the back of the school and unload at the docking station. They will exit following the back of the school, turn L onto Alumni, and R into the Alt parking lot.
