

**Shepherd Hill Regional High School**  
**68 Dudley-Oxford Road, Dudley Ma 01507**  
**NESBA Winter Guard & Percussion Competition**  
**Sunday March 24, 2024**

Dear Director,

Welcome to the 2024 Shepherd Hill Show! We are excited to be hosting such a diverse group of young musicians and performers from across the Northeast. Enclosed in this packet you will find all the important information that you will need throughout the day.

**Equipment Loading/Unloading:** Equipment unloading will happen on the West side of the school in front of the superintendent's office. The truck loading area will be located directly outside of the gym doors on the East side of the building (see attached map for details).

Percussion and other show equipment (not floors or props) will be stored in the cafeteria.

Please note that schools will be able to begin unloading their equipment beginning at 11:00am. Space is limited, so we ask that groups keep equipment as condensed as possible in the storage areas. We also ask that you load equipment immediately following your performance.

**Unit Check In:** All groups will check in at the east entrance to the cafeteria (see map). Students will have hands stamped and directors will receive any additional information for the day.

**Changing Areas:** The locker rooms near the gym will be utilized as changing spaces. Shepherd Hill and NESBA are not responsible for lost or stolen items.

**Concessions:** Concessions will be available in the cafeteria during the competition. No food or drinks are allowed in the gym.

**Props and Floor Storage:** Props and floors will be stored in the hallway between F and D. Larger props can be stored directly in the white gym (location D on your map).

**Critique:** Critique will be in the judges room following awards.

**Warm-ups:** Percussion warm ups will occur either in the library (B) or in the hall marked (C).

Guard body warm ups will take place in the library (B) or in the hall marked (C).

Guard equipment warm ups will take place in the White Gym (D) or the Auditorium (A).

Sincerely,

Thomas Wilson

Director of Instrumental Music

Shepherd Hill Regional High School
