NESBA Winter Guard, Percussion, & Winds Competition
Sunday, March 29, 2026

Dear Director,

Welcome to the 2026 Shepherd Hill Winter Percussion and Winter Guard Home Show! We are excited to be hosting such a diverse group of young musicians and performers from across the Northeast. Enclosed in this packet you will find all the important information that you will need throughout the day.

Equipment Loading/Unloading: Equipment unloading will happen on the west side of the school in front of the superintendent's office. The truck loading area will be located directly outside of the gym doors on the East side of the building (see attached map for details).

Please note that schools will be able to begin unloading their equipment beginning at 12:00pm. Space is limited, so we ask that groups keep equipment as condensed as possible in the storage areas. We also ask that you load equipment immediately following your performance.

Storage: Props, floors, or other equipment can be stored in the cafeteria (D), the staging area of the gym, or in the long hallway before the staging area.

Unit Check In: All groups will check in at the main entrance (where the ram is). Students will have hands stamped and directors will receive any additional information for the day. Registration fees will be collected here.

Changing Areas: The locker rooms near the gym will be utilized as changing spaces. Shepherd Hill and NESBA are not responsible for lost or stolen items.

Concessions: Available in the cafeteria during the competition starting at 11:30am. No food or drinks are allowed in the gym.

Critique: In the judges room following awards.

Tickets: \$15 for general admission and \$10 for students/seniors.

We accept both cash and credit cards.

Shepherd Hill Music Parents Association: Many thanks to our tireless parents for helping to produce an excellent event. Please support our music department by buying tickets, concessions, or participating in our scratch ticket raffle basket.

Thank you for coming!

Sincerely,

Sam Gaulin, *Director of Percussion*
